Download for PC Windows/MAC OS.the people who let their languages go to hell The Best Time For you to Strike “Joke’s on you, bozo. I’ve told you a million times, I’m not attracted to your dumbass. Good luck with that shit.” After I’d arrived, I leaned back against the tree and looked at the woman. She had a black-colored ponytail and a tattoo on her neck. I was trying to guess whether or not she was a lesbian. I thought she was, until her tongue came out, so that’s not it. She put her hands in her pockets and started walking towards me. I noticed that the tops of her breasts were entirely bare, not even a bra. “Hey, there.” I couldn’t help but notice how her denim-clad ass swayed with each step she took. She was walking towards me, too. “Hi,” I said. “Thanks for coming out with me today.” “What’s your name?” “Nick.” “So, what do you wanna do with me?” She turned back to face me. “You mean, besides show you around, or me looking at your body, or have you show me yours?” I decided to go with the funny and totally vague answer. It was either that, or I’d end up talking to myself. “The trees.” “Oh,” she laughed. “Okay,” she said and stuck out her hand 82157476af
